

2017 Involvement Opportunities

No single person can lead SCCAOR. It takes a group of very talented individuals provide their time and perspectives to guide this organization. If you want to contribute to the continued success of SCCAOR please consider signing up for one or more of the opportunities listed below.

MLS SURG: This is a Super Users and Review Group for MLS Listings Inc. This group meets on a quarterly basis and is tasked with providing our MLS with challenges and suggestions to improve the system. Members of this group are also the first see proposed improvements to our MLS before they are rolled out to the rest of the MLS subscribers.

Technology & Member Service Focus Group: This group is brand new with SCCAOR and will only meet in person 1-2 times a year. This group is tasked with evaluating products and services that are being offered by third party vendors and proving feedback on their viability. As opportunities arise throughout the year, the SCCAOR CEO will e-mail this group products and services to be evaluate for the greater SCCAOR Membership.

Digital Education Strategies Task Force: The purpose of this task force is to determine the best way(s) to deliver SCCAOR educational content digitally to our members. This task force will first meet in June and will provide updates to our Board of Directors as strategies are formulated and tested.

Global Investment Council: The Global Real Estate Advisory Council coordinates with other internal committees to make sure that **SCCAOR is the recognized local resource for global real estate and multicultural clients.**

Special Events Committee: The Special Events Committee assists staff with planning and organizing Member Baseball Night, BBQ, Convention and Trade show, and the Holiday Celebration. They also focus on the strategy, attendance, and revenue generation for the events.

Education Focus Group: This group will work with our SCCAOR staff to provide guidance on current and future classroom topics.
