

PUBLIC NOTARY

Become a New Notary or Renew Your Notary Commission

Our 6-Hour **Live** Notary Public Education Seminars are designed to prepare all new and renewing students to pass the State Exam on their first attempt.

We'll not only discuss the latest laws and regulations, you'll also review the fundamentals of Jurats, Affidavits, the Journal, fingerprinting, forms of identification, sworn statements, and more.

By the end of the day, you will be prepared to pass the State Exam, which will be presented at the end of the seminar.

- This course satisfies the exam pre-requisite. There is the added convenience of taking the State Test immediately following the class.
- For renewing your Notary Commission, it is recommended that you take the State Exam 6-12 months before the expiration to avoid a break in your commission. Processing of commissions is taking several months.
- When you register for the class, you will receive a link to read the State Notary Handbook and to study 138 sample exam questions that will prepare you to pass. The extensive course covers all the new regulations, forms, and \$10,000 fines and penalties.
