

# Save The Date

Thursday,  
September 6, 2018

1:30 pm - 4:30 pm

## How to EFFECTIVELY Protect Your Information Online

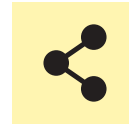

*This unique class focuses on the Online  
Exposures most REALTORS® are unaware of...*

Wire Transfer FRAUD

Identity Theft

Social Media Data Control

Public Wifi Dangers

Controlling YOUR  
Public Government Info

Email Phishing

Avoid Being STALKED

### JACK LINDBERG

Author of 5 books on Social Media  
for Real Estate sold on Realtor.org  
for 5 years.

Former REALTOR®, Builder & Broker

Founder of:

The recent "Facebook hearings" raised awareness to how much our data is collected and used against us all the time.

It's important for Real Estate Professionals to understand their exposure and learn some key steps they can take to protect themselves AND their clients' data from would-be hackers, stalkers and thieves.

**Class sponsorship  
opportunity available.**
