**What are the 3 key questions to ask
regarding homes with solar?**

Real estate agents and appraisers will gain an understanding of residential solar PV technology, including cell, panel and array components, the electric power grid and CA utility rate structures. They will be equipped with knowledge of what to look for during inspections.

- In-depth coverage of valuation considerations in understanding and reporting market activity and basic appraisal approaches to value.
- Includes links to 2 free online tools to help with documentation and calculating present value.
- Solar sales for existing homes grow every year and CA will require all new homes to include solar starting in 2020. Realtors with expertise in solar with deliver value our clients will increasingly expect.

Are you confident in
valuing or guiding
clients in sales/purchase
of homes with solar?

SCCAOR Course Cancellation Policy

Rev. 1.22.2019 19SODL1

If you must cancel or reschedule your reservation, a full refund will be issued if notification is received by email, or in writing (not by telephone), three (3) days prior to class. Those who book within three (3) days are not eligible for cancellation or refunds. To cancel, please send an email to education@sccaor.com and identify the name of the course and include the order number associated with the purchase of the course. In the event that a student should fail to attend a class, the tuition for said class is forfeited and will not be transferred to future classes. SCCAOR reserves the right to cancel or reschedule any course. If cancellation occurs, SCCAOR will issue a full refund. In the event of rescheduling, SCCAOR will send immediate notification and transfer all reservations, including payment, to the new date.
