PRESIDENT'S MESSAGE

Thank you for taking the time to attend the 2021 Santa Clara County Association of REALTORS® (SCCAOR) Inaugural, our first and hopefully last celebration to be held completely virtual.

I am extremely honored to serve as SCCAOR's 2021 President, and I am grateful to our 2020 SCCAOR President Sandy Jamison for her leadership through these unprecedented times and her many outstanding accomplishments during her tenure.

I look forward to serving our 6,000+ members and to continuing the hard work that others have accomplished before me to promote homeownership, protect and preserve private property rights, and provide continued value to our REALTOR® members. Over the next year, I will make every effort to represent the best of SCCAOR and ensure our Association maintains our high professional and ethical standards. I am committing my full dedication and devotion to this position.

I selected the theme "Moving Forward Together" to represent the spirit of our real estate industry and the approach we need to ensure a successful future. Now, more than ever, we need to come together as one, the REALTOR® Party.

Our 2020 Leadership Team has put in place the 2021-2023 Strategic Plan which helped to focus our strategic priorities for 2021 to include: strengthening and expanding our relationships with our Broker Community, responsibly growing the membership to ensure that SCCAOR has the resources needed to provide our members "best in class" resources and services, and promoting the role SCCAOR plays in protecting private property rights and increasing opportunities for homeownership.

I am humbled by the privilege to serve as your Association President for 2021 and look forward to a great year working with our Board of Directors, Committee Chairs, SCCAOR Staff, and Association members.

I sincerely thank you for your membership and support.

Doug Goss
SCCAOR President
